

# DVD SelectNet™ SE

DVD SelectNet™ SE provides an affordable and effective tool for producing authored DVDs in only minutes.

**DVD Authoring & Delivery**  
*Automated!*

## DVD SelectNet™ SE features include:

- **Fast** — Fully automated DVD authoring, delivery and notification
- **Affordable** — Single user edition
- **Intuitive user interface** — No prior DVD knowledge necessary
- **Hybrid Technology** — Allows writing of any file type to disc

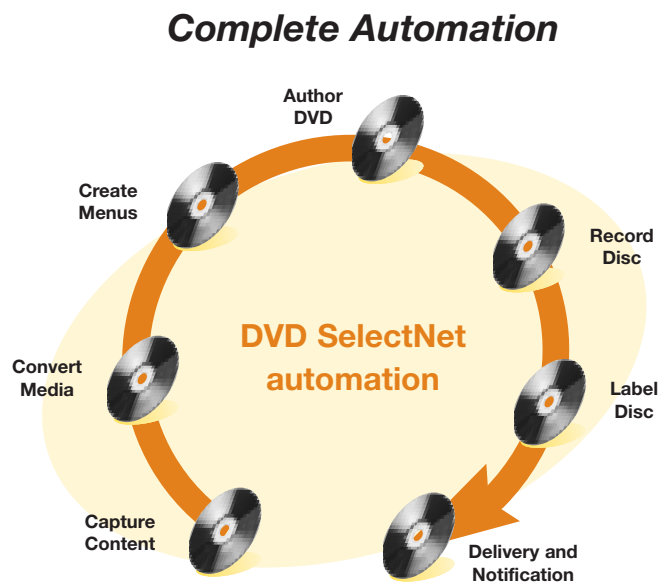

# DVD SelectNet™ SE

DVD SelectNet™ SE provides a single user with the ability to manage media and author high quality DVDs quickly, easily and automatically. Via the patent pending process, users have the option to record directly to the internal drive or output to a networked robotic DVD recorder, providing unmatched flexibility.

## DVD SelectNet SE Features:

- Automated DVD authoring and delivery
- Create custom menus and templates
- Hybrid technology allows writing any attachment to disc
- Full transcoding (and encoding, with optional hardware board)
- Support for multiple source file formats
- Multiple disc playback options include: single clip, loop disc and more
- Single user edition
- Users access via standard web browser (Windows or Mac)

## DVD SelectNet SE is ideal for:

- Corporate Training Departments
- Post Production Facilities
- Corporate Video Producers
- Religious Organizations
- PR Firms and Departments
- Small Government Agencies
- Educational Facilities
